Re: *K.A., et al. v. The City of New York*, 18-cv-3858 (ALC)(SLC)

Dear Judge Carter:

I am the Assistant Corporation Counsel assigned to represent the defendants in the above-referenced action. I submit this letter to respectfully request a four-day extension of the parties' deadline to file a final stipulation of dismissal pursuant to Rule 41(a)(1)(A)(ii), which will close the docket permanently, from November 6 to November 12, 2024. The additional four days will allow defendant the additional time needed to confer with the client regarding compliance with the non-monetary terms of the stipulation of settlement; we note that all settlement payments have been completed. We apologize for the lateness of this request and inconvenience for the Court. This late request is occasioned by an illness for the undersigned end of last week through yesterday together with client-staff being out on leave. I have fully conferred with the client by telephone and am confident that we will be able to complete our confirmation process no later than next Tuesday, but I anticipate being able to fully confirm by end of day Friday.

Therefore, we respectfully request that the filing deadline of today be extended to November 12, 2024.

Thank you for considering this request.

Respectfully submitted,  
/s/

Martin Bowe  
Assistant Corporation Counsel
